

Florida Baptist GlobalHungerRelief

it could be me.

*Hunger doesn't come in just one size —
It's your neighbor,
a single mom in church,
that father who was downsized,
seniors on a fixed income...*

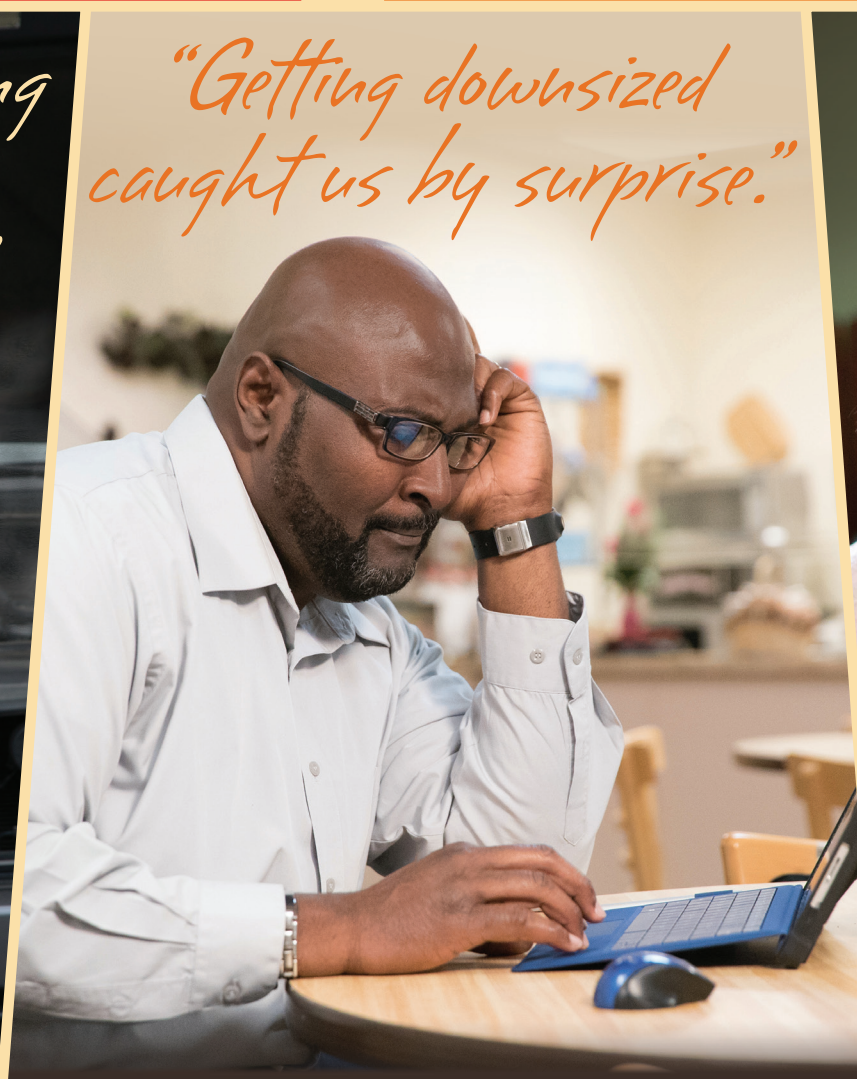

*It could be
any one of us.*

*"I'm
hungry."*

*"How am I going
to get to my
second job?"*

*"Getting downsized
caught us by surprise."*

*"These medical bills
throw our budget out of
the window!"*

Florida Baptists are right there, everyday—
feeding hungry people—*it could be you...*

it could be me.
