your compassion + generosity
propels missions

Florida Baptist
Convention

Right Beside You.

But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd.

Matthew 9:36

Compassion + Generosity = You

Your compassion for others combined with your generosity in giving propels missions. Because our church works with other like-minded churches in the Southern Baptist Convention, we are making an impact across our state, our nation and around the world. When you sacrificially give, we release a portion of that gift to propel missions further than we could on our own. Here's a snapshot that paints a picture of why your compassion and generosity matter.

The need is great.

- + 15 million Floridians don't know the saving power of Jesus Christ.
- + 552 new churches were launched by Southern Baptists last year, yet 273 million people remain without a relationship with Jesus Christ in North America. More churches are needed, and your generosity is making a difference.
- + 3,058 people groups around the world have never heard of Jesus Christ. Your gift is going to make an impact in these darkest regions of the world.

And because of your compassion and generosity, we can celebrate that each and every day our church is on mission in helping to expand God's kingdom.

A portion of your gift to our church goes to the Florida Baptist Convention, which forwards 51% to the Southern Baptist Convention. That money is channeled to the International Mission Board, North American Mission Board and other ministries to propel missions.

In Florida, your generosity enables our church to

- + Plant, revitalize, strengthen churches
- + Meet community needs through medical, dental and hunger relief ministries
- + Intentionally reach the next generation with evangelism and discipleship strategies
- + Provide compassionate care to those marginalized, orphaned and elderly
