

COOPERATIVE PROGRAM

your compassion + generosity
propels missions

But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd.

Matthew 9:36

Compassion + Generosity = You

Your compassion for others combined with your generosity in giving propels missions. Because our church works with other like-minded churches in the Southern Baptist Convention, we are making an impact across our state, our nation and around the world. When you sacrificially give, we release a portion of that gift to propel missions further than we could on our own. Here's a snapshot of why your compassion and generosity matter.

The need is great.

- + 15 million Floridians don't know the saving power of Jesus Christ.
- + 624 new churches were launched by Southern Baptists last year, yet 273 million people remain without a relationship with Jesus Christ in North America. More churches are needed, and your generosity is making a difference.
- + 3,176 people groups around the world have never heard of Jesus Christ. Your gift goes to make an impact in the darkest regions of the world.

And because of your compassion and generosity, we can celebrate that each and every day our church is on mission in helping to expand God's kingdom.

A portion of your gift to our church goes to the Florida Baptist Convention, which forwards 51% to the Southern Baptist Convention. That money is channeled to the International Mission Board, North American Mission Board and other ministries to propel missions.

In Florida, your generosity enables our church to

- + Plant, revitalize, strengthen churches
- + Meet community needs through medical, dental and hunger relief ministries
- + Intentionally reach the next generation with evangelism and discipleship strategies
- + Provide compassionate care to those marginalized, orphaned and elderly

you give to our church
+ our church sends a portion to
the Florida Baptist Convention

\$2,990,000 Cooperating Ministries

- + **\$1,650,000** Baptist College of Florida
- + **\$1,140,000** Florida Baptist Children's Homes
- + **\$200,000** Lake Yale Baptist Conference Center

Florida Baptists' CP Goal is \$30 Million

To continue to propel missions, Florida Baptists must prepare for the future. Each year the population of Florida is increasing by 375,000 residents. Just as the population will continue to rise, so must our level of compassion and generosity.

The Challenge 2025 initiative is designed to address this opportunity to advance the Gospel. In this, it is my prayer that each year, Florida Baptist churches would consistently:

Plant 75 new churches

Mobilize 12,000 teams on missions domestically and internationally

Revitalize and strengthen 100 churches

Baptize 30,000 new believers

Give \$33 million through the Cooperative Program and \$1 million to the Maguire State Mission Offering

This intentional focus will allow Florida Baptists to reach the growing population of our state while also making an impact globally as over 14.3 million internationals visit Florida each year.

All of this, so that the Gospel will be shared, that lives will be transformed, and that God's Kingdom will be expanded. Together we have a greater reach than we ever could alone.

Dr. Tommy Green
Executive Director-Treasurer
