Quick FAQs

Who should attend this training? Anyone who wants to become a new volunteer in the Florida Baptist Disaster Ministry or any previously trained volunteer who wants additional training or needs to retrain due to expired credentials. (Volunteers must retrain every 3 yrs)

Why do I have to be trained to be a volunteer? Emergency Management Officials now require all volunteers to be credentialed by an organization like ours before they are allowed to work in a disaster response area. Our training is designed to meet these requirements and prepare volunteers to do effective ministry when called upon.

How do I register? There is no pre-registration. Register at the event site between 8:30 AM & 9:00 AM the day of the event.

What about lunch? Lunch is prepared by trained feeding volunteers on one of our feeding units at the event.

Why isn't there an event closer to me? The training season can only be done between March and June **in order** to be ready to respond to our most likely disaster - hurricanes, between July – October. With a limited number of weekends available, we have to do regional events. Our goal is to have at least 1 event within a 2 1/2 - hour drive for volunteers to attend. We move the sites to different associations from year to year within specific regions.

How old do you need to be to attend training? Everyone can attend the training, however, anyone under 18 will be considered a Youth. Youth cannot be called out on their own and will need to respond with their credentialed legal guardian. Youth do not have to pay the registration fee and will ONLY receive a "youth" badge and lunch that day.

Will background checks be mandatory? Yes. The Florida Baptist Convention has now added this requirement to continue the practice of protecting those whom we serve.
