The Maguire State Mission Offering (MSMO) provides valuable support for church planting in Florida.

Florida Baptists have entered into an exciting partnership with the North American Mission Board (NAMB) expanding our unified church planting efforts in Florida. We celebrate the newly established SEND Network Florida which includes SEND South Florida for the distribution of MSMO resources.

The SEND Network Florida partnership allows for the entire state of Florida to be included as a part of the SEND City emphasis. Any church in Florida has access to the resources of the Florida Baptist Convention and the North American Mission Board (50/50 support partnership) for church planting. The entire Maguire State Mission Offering supports SEND Network Florida. As you give generously to MSMO, you and your church are supporting church planting across all of Florida.

The process for a Sending Church is to lead your Church Planter through the NAMB Church Planter assessment.

The approval of this critical piece will start the support through the Sending Church of the Church Plant and Planter. The support to the Sending Church is for potentially 4 years based on need.

I urge you to experience the blessing of being a supporting church for church planting throughout Florida by your giving through the Cooperative Program and the Maguire State Mission Offering.

100% of the monies received through MSMO will be utilized for church planting in Florida.

Thank you Florida Baptists for your Kingdom generosity!

James Peoples

“Planting churches everywhere for everyone.” This is what the SEND Network is all about and it’s certainly true for SEND Network Florida.

The new partnership between the Florida Baptist Convention and the North American Mission Board provides a significant increase in the amount and ways we can come right beside our Florida Baptist Churches to aid them in their church planting endeavors to make disciples.

Now, all over the state we can help churches with the highest quality Church Planter assessment that is available from anyone, anywhere in the country.

Beyond that we come right beside the Sending Church to provide the church planting training, coaching, and care ministries to support these planters. In my role, I help Sending Churches and Planters

each step of the way. By participating in the Maguire State Mission Offering you are helping plant healthy, multiplying churches all over Florida. Please give generously!

Join me in praying Luke 10:2 for God to raise up more planters and laborers as the Florida harvest field is abundant.

Then He said to them, “The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest.”

AT A GLANCE

SEPTEMBER 2019

OUR GOAL

\$830,000

100% of Maguire State Mission Offering will help **#ReachFlorida** for Jesus.

Church Planting, Revitalizing, and Restarting. **#RightBesideYou** throughout our entire State. *(No funding is allocated for promotion)*

The 2019 Maguire State Mission Offering is dedicated to **REACH FLORIDA** and the

21,000,000+

in all 6 regions.

There’s only **ONE SBC church** for every **6,914** people in the state of Florida. We need more healthy churches!

Through the Florida Baptist Convention and North American Mission Board partnership, we’ll come right beside Churches in need of planting, revitalizing, and restarting to strengthen our outreach to **ALL** of Florida. **#RightBesideYou.**

THE HEART OF FLORIDA BAPTISTS:

When there's a need, they help.

MEET SIX DEDICATED PLANTERS AND PASTORS TO UNDERSTAND THE HUGE NEED ACROSS OUR STATE FOR STRENGTHENING AND PLANTING CHURCHES TO REACH THE MILLIONS!

DANIEL BOCANEGRA

Primera Iglesia Bautista,
Panama City Beach

Bi-vocational Pastor Daniel Bocanegra recently arrived from Bogota, Colombia with his family and is using music to share Jesus with children and their families in the Panama City Beach community.

Daniel asks for prayer that he may:

- Be able to understand the culture and especially the culture of people who work in hospitality
- Strength for his family
- Strength for his community as they recover from Hurricane Michael

JON EDMISTEN

Hope Church,
Chiefland

A replant of a former non-SBC church, Hope Church is led by Pastor Jon and is fervently serving their rural Chiefland community. Launching in January, Hope Church has baptized 9 new believers in Christ, is reaching young families, and is serving those whose lives have been touched by cancer.

Pray that:

- Hope Church may complete their new worship space by their target date
- God would make them effective for the Kingdom by bringing people to Christ and discipling them
- God brings revival and unity among the churches in Levy County

CAM TRIGGS

Grace Alive Church,
Orlando

Planted in the heart of Orlando, a hotbed of ethnic and economic diversity, Grace Alive Church is serving their community through apartment complex and school partnerships. Grace Alive is reaching their community and this Easter baptized 14 new believers and added 10 new members.

Pray for Grace Alive:

- It may continue to reach its neighbors
- God brings more leaders
- Resources to accomplish their mission of reaching their neighbors, nations, and generations

AMOS JEAN BAPTISTE

Redemption Haitian Church,
Green Cove Springs

Just over a year old, Redemption Haitian Church in Green Cove Springs is serving the Haitian community who previously did not have a church they could call home. Redemption is serving their community through Bible studies and English-Creole classes.

Pray that they:

- Have access to resources like Sunday School curriculum and sound equipment
- Find mentors and advisors in their region to come alongside for spiritual and financial support
- Be able to be known in their community

MARK RODRIGUEZ

Love Unlimited Church,
Little Havana

Since launching in February, Love Unlimited has had 800 unique visits and averages into the hundreds for Sunday worship. The church is reaching an unchurched group who doesn't know how to go to church, but are eager to know Christ and to serve.

Pray for Love Unlimited that they may:

- Be able to buy their own sound system
- Have enough chairs and space to accommodate all who come
- Continue to love on their city as God has called them to

PAUL HELTON

Redemption Church Manatee,
Bradenton

This year-old church plant is serving the Bradenton community where many live in low-income housing and face challenging economic factors. Through an afterschool Bible study program at Rowlett Middle School—where they also meet—the church is unapologetically sharing Jesus with students.

Pray that:

- Paul would be encouraged
- The church would have the impact in their city that God has called them to have
- God would send up laborers
