## Help plant churches statewide.

Kristoffer Elkins | Logo Church

## PRAY FOR COMMUNITY ENGAGEMENT

"[We were given] a chance to reach these broken families and reach broken hearts, because there was a lot of them. God started really convicting my heart, and we started really falling in love with the people."

As new churches engage their communities through meeting physical needs, pray for opportunities to present the gospel and for hearts to be open to receive the gift of eternal life in Jesus Christ.

Noah Clifton and Alex Chatman | Pillar Church

## PRAY FOR IMPACT IN MILITARY COMMUNITIES

"The Lord has put the military leaders in the right place at the right time, just for us to come in and be able just to preach the gospel very clearly to the soldiers and the airmen. Over the past two months, we've been doing

a Bible study on the special forces' army base... we've been able to talk to several soldiers just about the gospel and their salvation."

Military communities are scattered across the Sunshine State. Pray for the churches surrounding these bases, forts and stations to shine the light of the gospel into the lives of the families who so regularly sacrifice much in service to our country.

## For the fulfillment of the gospel of Jesus Christ.

In 2 Corinthians 8:7 Paul wrote to the believers, "But since you excel in everything-in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you —see that you also excel in this grace of giving." Nearly 2,000 years later, this verse continues to speak to the hearts of Florida Baptists.

## God is already doing an amazing work let's join with Him in advancing the Gospel

Florida is a beautifully diverse state with abundant gospel opportunities. As we desire to live out the gospel, we do so with radical generosity.

Our partnership makes a difference in the whole world. But the question remains... How can we, as individuals and as churches, do more to advance the gospel across the state of Florida? The answer is to support the planting of new churches to reach diverse communities with the good news of Jesus.

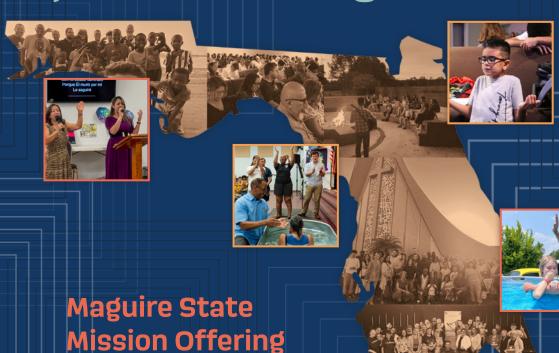

Florida Baptists' gifts through the Maguire State Mission Offering provide critical funds every month (for up to four years) to help church plants launch across the state. Your generous gifts, prayerful commitment, and unified participation through this offering help #ReachFlorida.

You are partnering in the advancement of the gospel and propelling young churches as your prayers and financial resources lessen the burden they carry and provide encouragement to those who are laboring in some of the most challenging environments in our state.

Will you continue to do more for the kingdom and support church planting by giving through the Maguire State Mission Offering?

Prayer Guide 2024

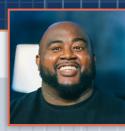

## Join us as we pray.

## Cliff McCray | Radiant City Church

## **PRAY FOR ALL GENERATIONS**

"We've been praying for God to open up a door to get on FAU's campus because of this collegiate vision that we have... and God has answered that prayer.... I got invited to go speak to FAU's football team. And I go and I speak, and I share the gospel."

God's word holds true to all ages and generations. Pray that as churches near college campuses grow, that students surrounding these campuses would make gospel decisions that will impact their lives for eternity.

## Alejandro Duran | Family Church Espanol Port Charlotte

## PRAY THAT CHURHES ARE MULTIPLIED

"We want to be a multiplying church.... We're praying, 'God, would you multiply us? Would you give new birth to a new church from our church?' We want to really contextualize the Great Commission."

Churches plant churches, and as our state's population continues to grow exponentially, pray that more churches will step up to reach its multilingual, multiethnic and multigenerational makeup

## Emanuel Carvalho | New Hope Brazilian

## PRAY FOR ALL CULTURES TO BE REACHED

....Florida is like a piece of the world. You can see a lot of cultures and minds and thoughts, but it is a church. Church is not about one people, one color, one social reality, but it is different people that come from a lot of different places."

As thousands of people from across the world immigrate to Florida, they need community. Pray that these individuals hear the good news and find a new home through the local church and find peace and comfort through the power of Jesus.
