

Maguire State Mission Offering *Prayer Guide*

More for the Kingdom

For the fulfillment of the gospel of Jesus Christ.

In 2 Corinthians 8:7 Paul wrote to the believers, “But since you excel in everything—in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you—see that you also excel in this grace of giving.” Nearly 2,000 years later, this verse continues to speak to the hearts of Florida Baptists.

Florida is a beautifully diverse state with abundant gospel opportunities. As we desire to live out the gospel, we do so with radical generosity.

Our partnership makes a difference in the whole world. But the question remains... How can we, as individuals and as churches, do more to advance the gospel across the state of Florida? The answer is to support the planting of new churches to reach diverse communities with the good news of Jesus.

Florida Baptists’ gifts through the Maguire State Mission Offering provide critical funds every month (for up to four years) to help church plants launch across the state. Your generous gifts, prayerful commitment, and unified participation through this offering help #ReachFlorida.

You are partnering in the advancement of the gospel and propelling young churches as your prayers and financial resources lessen the burden they carry and provide encouragement to those who are laboring in some of the most challenging environments in our state.

Will you continue to do more for the kingdom and support church planting by giving through the Maguire State Mission Offering?

Daniel Naberezhny | International Bible Church, Boca Raton

"The biggest need of these refugees is their spiritual lostness because most of them, 99% of those people, they don't know Christ."

Serving individuals primarily from Ukraine, Russia, Eastern Europe, Latvia, Lithuania, and Belarus, Daniel Naberezhny and International Bible Church have the vision to worship with people from all over the world. Being heavily involved in both church planting ministry and relief work for immigrants arriving to South Florida creates unique opportunities to share the gospel with people who have never heard the name of Jesus.

Daniel

Dawson Zhang | Pensacola Chinese Baptist Church

"I find that it's God who opened a door for us to come to Pensacola... for the Chinese church planting ministry."

Recognizing the opportunity for a Chinese church in his son's college town, Dawson Zhang partnered with local believers to start a new church while simultaneously pastoring a Chinese church in Montgomery, Alabama. Pensacola Chinese Baptist Church strives to attract seekers to the faith and to develop leaders to continue evangelistic efforts.

Joel Joseph | New Visions Community Church, Tamarac

"Unity will cause us to seek to be united to each other; humility will cause you to understand it is not about you; all the glory belongs to God."

Believing the story of Joseph where God transforms the broken into something beautiful, Joel Joseph started New Visions Community Church as a prayer meeting that expanded to a church plant. Serving the Haitian community and strategically engaging the next generation in Tamarac, New Visions desires to dwell in the Bible and live out its instruction.

Arthur Gonçalves | Restoration Church of Sanford

"The Lord began to build His church, really on the most unlikely people. Many of them were homeless, poor, addicts. And so, we have a very diverse group of people on a Sunday morning. But people are people—everybody's broken."

Recognizing that everybody is broken in some way, Arthur Gonçalves has a vision for Restoration Church to be a home for the broken where people from all walks of life can be restored to God by grace through faith in Jesus Christ. Ministering to the least of these in the Sanford community has led to radical life change as God builds His church.

Arthur

Kidannie Laboy | Iglesia Comunidad Bíblica, Spring Hill

"I believe that love and passion for Christ leads us to love the community, to show that love and to be different within the darkness we are living in, within a world that is without hope."

Desiring to be a light for Christ in a darkened world, Kidannie Laboy demonstrates a passionate love for his community. Iglesia Comunidad Biblica embraces the living vision of the kingdom through intentional evangelism and discipleship, yearning for people to be made whole in Jesus Christ.
