

## CAMPERS ON MISSION WHO ARE WE

The Florida Campers on Mission (FLCOM) is one chapter in the national Campers on Mission Organization. We are a national fellowship of Christians sharing Christ as we serve in various ways. Florida COM has a cooperative relationship with the Florida Baptist Convention. Membership is open to all practicing born again Christians who love camping and want to get involved in mission work and share Jesus while camping. We use our RV's, campers and tents to go serve others and share the *Good News*.

You get to choose the project the Lord puts on your heart and how long you feel led to serve on that particular project. Some projects we work with other Campers on Mission members or other Christian RV groups. We start each morning with prayer and devotions together. There are no membership dues, but a \$16.95 per person back ground check requirement for membership.

*"For where two or three are gathered together in my name, there am I in the midst of them."
