

Northside Baptist Church in Milledgeville Georgia is prayerfully seeking a pastor to lead us where God would have us as a body to continue our mission.

Northside Baptist is a Southern Baptist Bible believing church and a member of the Washington Association. "We are one amazing church that gathers in two different worship environments, one traditional and one contemporary." We have always sought God's direction for this church and are eagerly awaiting where God is going to guide us in the future with the calling of a new pastor. Milledgeville has an abundance of ministry opportunities. It is the home of Central Georgia Technical College, Georgia College and State University and Georgia Military College. We also have many opportunities to minister in our geographical area. Our church offers ministry programs such as Celebrate Recovery, ESL, food pantry and benevolence. We have a growing baseball ministry that reaches families in the Milledgeville and surrounding areas. We have the resources and structure in place that have positioned us on a path to have growth and a great impact in and on our community along with members who are ready to serve. We strive to worship in a manner that is pleasing to our Lord and have always been blessed to hear the inerrant Word of God preached and taught. We are now seeking a visionary Shepherd called to the pastoral ministry to lead us into future growth and impact and who will guide us in functioning as a New Testament Church.
