

Sharing & Developing

Across the state of Florida, God is continuing His work through the body of believers gathered together as the local church. By faithful prayer and support we saw:

- 57 new churches launched through the SEND Network Florida in the past year.
- 114 churches revitalized in Florida as the Spirit of God breathes fresh life on His people.
- Baptist Collegiate Ministries reach and disciple the next generation.
- Disaster Relief volunteered 53,391 hours during Hurricane Idalia recovery efforts.
- Hunger Relief ministries celebrated 39,030 evangelistic encounters while meeting physical needs.

Financial gifts through the Cooperative Program help make these kingdom efforts possible throughout the state.

Right Beside You.

 Florida Baptists' Cooperative Program Goal is \$29.5 million and includes:

- \$1 million in Church Planting through Send Network Florida
- \$1 million to help Church Revitalization efforts
- \$1.38 million for Florida's Regional Ministries and Missions

Your giving today will help tell the story of tomorrow. Because our church works with other like-minded churches in the Southern Baptist Convention, we are making an impact across our state, our nation and around the world. When you sacrificially give, we release a portion of that gift to propel missions further than we could do on our own.

The need is great.

- **13 million Floridians** don't know the saving power of Jesus Christ.
- **An estimated 281 million people** remain without a relationship with Jesus Christ in North America. More churches are needed, and your generosity is making a difference.
- **3,150** people groups around the world are unengaged and unreached with the Gospel of Jesus Christ. Your gift makes an impact in these darkest regions of the world.

Together, with your contribution and our church, we can help expand God's kingdom in our local community, throughout Florida, the United States and around the world. A portion of your gift to our church goes to the Florida Baptist Convention, which forwards 51% to the Southern Baptist Convention (SBC). That money is channeled to the International Mission Board (IMB), North American Mission Board (NAMB) and other ministries to propel missions.
