

## ***2022 Florida Baptist Convention Annual Meeting Messenger Registration***

Messengers can be pre-registered online by your church clerk or pastor using your church's ACP login credentials. Messenger cards should be printed and brought with the messenger to the annual meeting.

- Along with the "survey" box there will be a box that says, "Active Conventions," click on "Register for 2022 Convention."
- The next screen will show how many messengers your church is allowed based the church's CP giving being \$50 or more and on the total membership reported by your church on the 2021 Annual Church Profile. Click on the green "Continue to Pre-Register" box at the bottom of the page.
- Follow the instructions in the blue box to register each messenger.
