2026 GROUP LEADER ACKNOWLEDGEMENT

Group Leader (Authorized Agent): _____ Pastor: _____

The Haitian Multicultural ministry event exists to serve churches in their mission of making disciples. During this event, this best happens through a solid partnership with the local church to help create a meaningful and safe experience for all in attendance. The following responsibilities are asked and required from each attending group's leadership:

1. I am responsible for the spiritual guidance of all individuals in our group.

This includes, but is not limited to, advising participants concerning spiritual decisions in corporate gatherings, quiet time, church group time and other opportunities throughout the event.

2. I am responsible for discipline, supervision, and leadership of individuals in our group.

This includes, but is not limited to, in the dorms/lodging, during corporate gatherings, during scheduled events and throughout free time.

3. I understand that any damages incurred on campus due to the actions of members of our group will be the sole responsibility of that individual or their church/group. Such responsibility for potential damages includes, but is not limited to, any medical costs or other damages incurred by a participant or adult leader. While one or more policies of insurance may cover some or all such damages, the individual and/or church/group (and not the Florida Baptist Convention) will be the ultimate responsible party.

4. I understand that all decisions regarding medical needs of individuals under my supervision are the sole responsibility of me and our adult leadership.

This includes, but is not limited to, decisions about medical/injury treatment, collecting and maintaining release forms, medical history or attendees' medical insurance information, transportation to medical facilities, if needed and communication with parents or guardians regarding any medical needs of attendees.

In the event of an accident or injury to a participant at the Haitian Multicultural ministry event, the event staff and/or the respective venue will not make any recommendations or decisions regarding medical treatment or diagnose illness or injuries. Our staff may provide basic first aid but will never provide medication of any kind. All medical decisions are reserved for the authorized agent (group leader) of the church. You, personally and on behalf of the church, affirm that you possess a Release Form signed by each participant and/or each participant's parent or guardian for minors under 18 years of age. We strongly urge that medical attention be sought for any injury or sickness occurring during the Haitian Multicultural ministry event.

5. I am responsible for a child protection policy (For Camp Only).

This would include conducting background checks (as described on the Statement of Compliance) and submitting a Statement of Compliance on all campers and adult leaders 18 years or older you bring as well as establishing guidelines and policies that ensure the safety of the students you bring to camp.

6. I understand my responsibilities as the authorized agent of my church to properly train, educate and inform my adult leaders and other event participants to carry out the assigned tasks and expectations of the event. This includes, but is not limited to, reviewing and obeying all rules and regulations of the event.
