

# Missions Discipleship

Missions discipleship is for everyone— from preschoolers to adults. WMU provides biblically sound resources, learning opportunities and meaningful missions experiences for all ages designed to help you make disciples of Jesus who live on mission.

## Missions Discipleship for Preschoolers

The journey to make disciples of Jesus who live on mission begins as you lead your preschoolers to grow in missions. Mission Friends is the missions discipleship group for preschoolers from birth through kindergarten. In Mission Friends, preschoolers develop a missions heart as they move from a focus on themselves to a focus on others. Preschoolers grow toward God as they become aware that God wants everyone to know of His love.

## Missions Discipleship for Children

Children love to share God's love. And children love to learn by doing. Through missions discipleship, children learn to share His love in multiple ways, from collecting school supplies for back-to-school backpacks to passing out water at sports events, from taking a meal to a homebound community member to sharing a smile or a prayer with someone who needs it.

## Missions Discipleship for Students

No longer children but not yet adults, teenagers are living through a unique and formative time of life. That's why it is so important to be sure students have a firm foundation before they head off to make their way in the world. Missions discipleship for teens instills a strong biblical framework, awakens in them a passion for the gospel of Jesus Christ, and provides opportunities for students to live out their faith in a tangible way. Missions discipleship guides students who are passionately devoted to Christ into avenues of service.

## Missions Discipleship for Adults

Missions discipleship empowers adults to become more effective witnesses in their world. When adults explore current missions efforts around the world, delve into the biblical mandate for missions, and become personally involved, they clearly see their responsibility to take the gospel to the nations. As adults grow and learn, they seek out needs in their communities and become involved in meeting those needs. A commonly asked question is, "How is God calling us to meet this need?"

Missions discipleship in the church provides opportunities for every person to participate in missions work. Churches that provide missions discipleship encourage members to grow in their faith as they learn about missions, pray for missions, support missions, and do missions.
